Series 5000 Insulated Side Tab Lateral Files

Schwab Corp. offers the only fire resistant end tab file on the market. Meets H.I.P.A.A. file storage regulations. The file features a fully retractable door that swings up and out of the way to easily access end tab files, catalogs and binders, or lowers and locks for completely enclosed secure storage. Available as a single stackable unit ("STACKER"), or as the top position ("TOPPER") of any Schwab 2, 3, or 4-drawer lateral file.
